FIVE MILE CREEK PROPOSED NAME FOR GULLY

The public is being encouraged to comment on a name proposed for a gully in the Warringah local government area.

Minister for Lands, Tony Kelly, said the gully, located in Belrose, is about two kilometres long and rises approximately 50 metres east of Forest Way and 600 metres south of Mona Vale Road, running adjacent to Five Mile Creek Fire Trail.

“It flows generally north-east and then east where it joins Deep Creek,” the Minister said.

“The name being proposed is ‘Five Mile Creek’ which is taken from the television series filmed in this area from 1982 to 1985.”

The public has one month, until Monday 13 December, to lodge submissions to the Geographical Names Board.

Submissions should be addressed in writing to the Secretary of the Geographical Names Board, Panorama Avenue, Bathurst 2795.
