BOUNDARY CHANGE FOR GUYRA SUBURB

The community is being encouraged to have its say on a proposal to expand the address boundary of Stanborough to incorporate Aberdeen in the Guyra Local Government area.

Minister for Lands, Tony Kelly, said the Geographical Names Board is seeking public comment before it considers adopting Guyra Shire Council's proposed address change.

“There is local concern Aberdeen at Guyra might be confused with the township of Aberdeen in the Hunter Valley,” the Minister said.

“Under this proposal, Aberdeen would become part of Stanborough.

“The proposed amendment is supported by the Geographical Names Board as it assists the board in eradicating the duplication of address locality names across NSW.”

Residents can lodge submissions with the Geographical Names Board by Friday, 10 September, 2010.

A map showing the proposed amendments will be on display at Guyra Shire Council Administrative Offices, 158 Bradley Street, Guyra, from Thursday, 12 August to Friday, 10 September, 2010.

The proposal can also be viewed and submissions lodged on the Geographical Names Board’s web site at www.gnb.nsw.gov.au, or people can write to the Geographical Names Board, Land and Property Management Authority, 346 Panorama Ave, Bathurst NSW 2795.
