

CHECK OUT THE NEW LOOK CROWN LAND WEBSITE

The Land and Property Management Authority (LPMA) was abolished under the NSW Government restructure announced in April 2011 and its former business divisions transferred to new departments.

A new-look homepage has been created for the Crown Land division of the NSW Department of Primary Industries

What are the changes?

- 1** New homepage look and feel
- 2** New URL www.crownland.nsw.gov.au to give you direct access to Crown Land
- 3** 'About Crown Land' content
- 4** Direct access to Reserve Trusts and Recreation
- 5** New Quick Find and Quick Links boxes to help you find information faster

Take a look around the site. It's the best way to familiarise yourself with the changes. We encourage you to bookmark the new Crown Land url.

Note: All divisions are continuing business as usual and the previous customer contact points are available.
