Community Volunteers congratulated

Minister for Lands, Tony Kelly, today congratulated three community trust board volunteers for 32 collective years of service to the Ulladulla community.

Mr Kelly said the committed and hard-working volunteers were presented with long service awards at a ceremony today.

“These dedicated citizens were honoured today for their contribution to the community as members of the Ulladulla War Memorial Reserve Trust and the Ulladulla Native Flora and Fauna Reserve Trust.

“Trust members are imaginative and energetic people. They make the commitment to manage and preserve significant public assets.

“They are responsible and dedicated individuals who are prepared to accept a challenging and valuable voluntary role, with the simple reward of contributing to their local community. Their work benefits us all.

Long service certificates were awarded to:

1. **Ulladulla War Memorial Reserve Trust**
   - Rick Coster in recognition of 12 years service

2. **Ulladulla Native Flora & Fauna Reserve Trust**
   - Tony Boland in recognition of 10 years service
   - Robyn Miller in recognition of 10 years service

“The Ulladulla Native Flora and Fauna Reserve has spectacular views of the coastline and is popular with locals and tourists due to its diverse range of flora and birdlife.

The Ulladulla War Memorial Reserve overlooks Ulladulla Harbour and is used for ANZAC Day and Remembrance Day services.

“There are over 33,000 Crown reserves across NSW being managed to meet balanced economic, social and environmental outcomes whilst meeting the multiple needs of the community.

“I invite everyone to get involved in reserve trusts across the state as it only takes a small effort to build a community.

“If you would like more information and application forms, these may be obtained from the Lands web site at: www.lands.nsw.gov.au/crown_land/trusts/join_a_trust
