Instructions for completion of application for Western Lands Lease

NOTE (1)

Please use block letters throughout. Full information furnished at this stage will help eliminate unnecessary delays in processing your application. For further advice, contact your local office of the Department of Natural Resources or the Regional Office, Dubbo on (02) 6883 3000.

NOTE (2)

Show full names of all current lessees/applicants, surname last. An application by an incorporated body must bear the Company Seal, and the signatory should indicate his/her capacity/position occupied in the corporation.

NOTE (3)

If an application is lodged by two or more persons, indicate whether Joint Tenancy or Tenancy in Common is required. Joint Tenants hold the property in equal shares, may deal with the property only as a whole in conjunction with the other joint tenant(s), and on the death of any one joint tenant, title vests in the survivor(s). Tenants in Common hold the property in defined shares, not necessarily equal, which may be dealt with independently of the shares of the other Tenant(s) in Common. Upon death, the share in title of a Tenant in Common forms part of that party's estate.

NOTE (4)

Your local Department of Lands office can assist with parcel identification/description. If the land applied for is not a measured parcel, please indicate the boundaries as clearly as possible by diagram, showing existing adjoining portions or lots and physical features (roads, rivers etc).

NOTE (5)

A Western Lands Lease can only be granted for a specified purpose, which will affect the conditions and rent attached to the lease. The land leased must be used for that purpose only.

NOTE (6)

The prescribed deposit must be paid before any administrative action can be taken. If the application is approved, the deposit will be credited towards costs incurred and the balance of costs will be called for at that time. Should the application be unsuccessful (or withdrawn) any part of the deposit not absorbed by costs to that stage will be refunded.

NOTE (7)

All applicants/lessees must sign the declaration.
