BRUNSWICK HEADS CROWN RESERVES PLANS OF MANAGEMENT;
SUBMISSION CLOSING DATE EXTENDED

The Land and Property Management Authority today announced a two week extension to the closing date for submissions to draft Plans of Management for Crown Reserves at Brunswick Heads.

“We have received numerous requests to allow the community more time to respond to the draft plans, and will now accept submissions until 24 September,” said General Manager Graham Harding.

“Under review are Massey Greene and the Terrace Reserve, both popular reserves which help create the unique identity of Brunswick Heads,” Mr Harding said.

“It is vital the community has sufficient time to contribute to the process, to ensure the development of the highest standard of improved facilities, tourist accommodation and reserve management.”

The draft Plans of Management build on recommendations of the Foreshores Strategic Plan and address a range of issues including:

- Improved facilities and infrastructure for open space and foreshore areas.
- Improved public foreshore access and pedestrian linkages.
- Management of native vegetation.
- Maintenance of seawalls and management of foreshore erosion.
- Improved holiday park facilities and accommodation.
- A range of strategies to support the long-term financial sustainability of the foreshore reserve system.

The draft plans can be viewed at www.lpma.nsw.gov.au or during office hours at Brunswick Heads Public Library, Terrace Reserve and Massey Greene Holiday Parks, the Brunswick Heads Visitor Information Centre and the Land and Property Management Authority Grafton office.
Submissions will be accepted until Friday 24 September 2010 by:

The Manager, Land Management North Coast
Crown Lands Division, LPMA,
PO Box 272, GRAFTON NSW 2460

Or email: CLWR.NorthCoast@lpma.nsw.gov.au
