NEW MEMBERS FOR GRASSY HEAD NURSERY TRUST

A further two community members have been appointed to the trust that manages Grassy Head Nursery on the Mid North Coast.

NSW Minister for Lands, Tony Kelly, today welcomed Gary Hallinan and Tony Neubauer to the trust’s board.

“I also congratulate Dorothy Nelson and Moira Ryan on their re-appointments,” the Minister said.

The Grassy Head Nursery is used for growing native species used in coastal regeneration works in the area.

Mr Kelly said the Government is very grateful for the efforts of trust members who help manage some of the 33,000 Crown reserves across NSW.

“Around 750 reserves are looked after by community volunteers who help care for valuable local infrastructure such as public halls, parks and reserves, swimming pools and smaller sportsgrounds,” the Minister said.

Labor MLC for Oxley, Kayee Griffin, said the NSW Government, backed by the skills, experience and enthusiasm of trust members, is working hard to protect important community assets and encouraging people to use them.

“Our new trust members are eligible for the annual Lands Crown Reserve Trust Award which recognises the important work they do for the community,” Ms Griffin said.
