PROPOSED ADDRESS BOUNDARIES FOR SINGLETON

Residents are being encouraged to have their say on a proposal to amend address locality boundaries within the Singleton local government area.

Minister for Lands, Tony Kelly, said the proposed amendments by the Geographical Names Board will increase the area for the address locality of Hunterview.

“The proposal is for an expansion of the boundaries to incorporate land which was rezoned in April 2007 for residential development,” the Minister said.

“As a consequence, parts of Dunolly, Fern Gully and Wattle Ponds would be absorbed into Hunterview.”

A map of council’s proposal can be viewed at Singleton Council Administration Centre in Queen Street.

The proposal can also be viewed and submissions lodged on the board’s web site at www.gnb.nsw.gov.au, or by writing to the Geographical Names Board, Land and Property Information, 346 Panorama Ave, Bathurst NSW 2795.

Submissions close on Tuesday, May 24.
